A word from the Principal...

I often tell others about the importance of resting, yet struggle to do this myself at times! As a component of our staff charter, we identify the importance of ‘sharpening the saw’. When we rest, we allow ourselves to be renewed physically, socially, mentally, emotionally and spiritually.

The first book of the Bible gives us the marvellous image of God resting on the seventh day and enjoying all that he had made. And then we have the story of Jesus going to some lengths to give his disciples a period of rest.

Holiday is a contraction of the word ‘Holy Day’. We rest not just because we need it, but because we can allow God room to move in our lives, making us better people. Just think about how much easier it is to deal with our own children when rested, rather than when we are tired!

But rest isn’t the absence of work. It is something positive, and like all things positive we have to take steps for it to happen. We have to plan, to think and to be disciplined.

This coming week school holidays begin. I hope this time with your children allows you to rest with them, enjoy their presence and finds you renewed in Spirit.

As we conclude for Term Three, a thank you must go to....
- our staff for their outstanding commitment, professionalism and dedication to our children
- our School Board and Parents and Friends group for their services and input
- the community both at school and throughout Circular Head for their contributions
- our families for their ongoing partnership and support again this term
- the students for adding so much positive life to the school

Very best wishes,

Mr Gregg Sharman
